We briefly discussed items on the agenda for the 'After Action Meeting'. Charley Sasse said his proprietors questioned allowing 7 singles bowling in sectional. Thinks it should be spelled out better. Jeff Thomas presented several thoughts from the Indianapolis South Conference. His coaches had concerns about the shirt & jewelry rules. They also want to make some changes to the sectional tournament rules to allow teams to bowl together so coaches can stay with all players. These ideas will all be discussed in more detail at the meeting in April.
